ISPyB Dewar Tracking

LABEL INSTRUCTIONS

Please print the following three labels and use as follows:

- 1) Dewar Label: affix this label to your dewar which ensures it can be identified at all times at the ESRF
- **2) Outward bound Address label:** To be attached to the outside of your transport container for shipment to the ESRF
- **3) Return bound address label:** The return address for your shipment (Please include this in your shipment, e.g. put it behind the outward bound address or in the transport container)

1) DEWAR LABEL: affix this to your DEWAR
